Powerful Voice Society

A Community Giving Society

We Invite You... to become a Member of the **CASA of Westmoreland Inc., Powerful Voice Society.**

Court Appointed Special Advocates (CASAs) are everyday citizens, who receive court ordered appointments to speak up for a specific child's best interest. CASAs have a powerful impact on a child's story by making certain that the child receives all the services they need while in foster care and by advocating to meet emergent needs. CASAs ensure the child is in a safe, stable placement while options for a permanent home are carefully weighed by the courts.

When you become a Member of the Powerful Voice Society, you will know that you personally (and your family or business associates):

- Are enabling us to **sustain and expand the number of CASA Advocates to become powerful voices for foster children** who have been abused, neglected, and/or abandoned.
- Are enabling **CASA Advocates to do the hard work of helping to stabilize and comfort a child who has been traumatized** on the way into foster care and often while they are in foster care, as they move frequently, lose ground in their education, lose familiarity, hope and a positive self image. CASAs convey, one to one, that each foster child matters deeply and that they are worthy of a great future.
- Are enabling us to **field a strong staff supporting our Advocates by partnering and guiding them** in this noble, life-altering work for these children.

CASA Advocates keep each individual foster child's needs a "front burner" priority in an overburdened system. *Powerful Voice Society Members* are invaluable allies to CASA Westmoreland.
